

## 16MM SAFETY FILM

Complete stories in 5 feet of sharp, clear safety film—equivalent in action to 25 feet of ordinary film. The Little Red Hen for instance gives you the following scenes in action: The hen pecking in front of her home—the fox hitting her—back to the hen again—the fox catching the hen—running to his den—the hen cutting her way out—substituting a stone for herself—the fox opening his sack to show Mrs. Fox her Sunday dinner—and the final rolling pin episode—more story and action than you get in 25 feet of ordinary film. Price, 20c
