# FOR USE WITH MICKEY MOUSE FILMS

*By arrangement with*

**WALT DISNEY**  
MICKEY MOUSE LTD.

Think of the thrill in showing real films by your own fireside—your favourite film star and above all the irresistible MICKEY MOUSE.

BINGOSCOPE CINEMAS bring all the atmosphere of the "Cinema" into your own home—the same efficiency and realism—but more enjoyable in your favourite armchair.

What fun for the kiddies—and for that matter the whole family!

**IMPROVED LIGHTING  
FLICKERLESS  
FINEST QUALITY LENSES**

Both models are extremely simple to operate and give the utmost efficiency—entirely flickerless—powerful lenses and BRILLIANT LIGHTING.

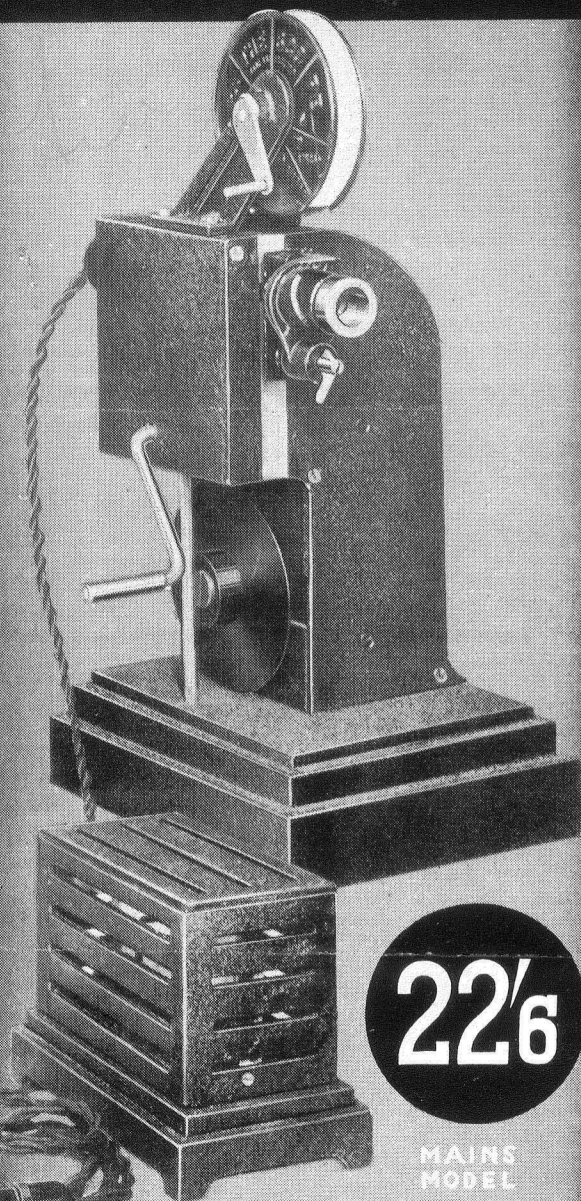

### **BATTERY MODEL.**

Fitted with a long burning lamp especially designed to give the utmost brilliancy—operated from a 5 cell dry battery or accumulator. Best quality focusing lenses, extremely simple method of threading the film, double claw action and three blade shutter—are all the points that ensure perfect reproduction.

### **MAINS MODEL.**

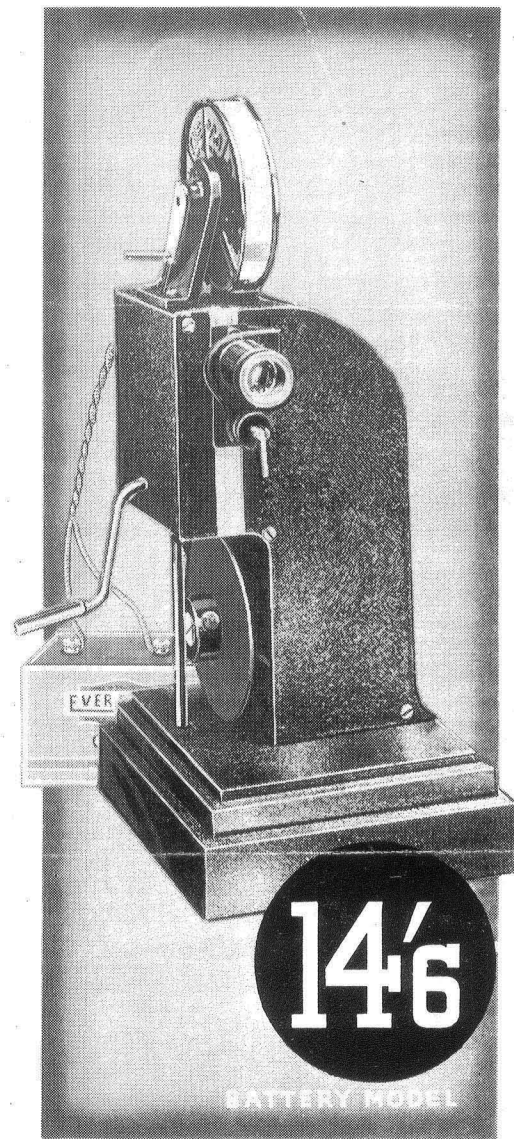

Similar in design to the Battery Model but complete with ample flex, adaptor and resistance. It is equally suitable for A.C. or D.C. MAINS OF ALL VOLTAGES FROM 100 to 250 VOLTS.
